For the attention of
Presidents of National Federations
African Judo Union .

Subject: A / S religious symbols.

Presidents,

Following the guidelines of the International Judo Federation inspired by the Olympic Charter, we are pleased to remind all National Federations of our Continent, that the veil (Hijab) is strictly forbidden for athletes or coaches, that they are present in the area reserved for the control judogis. This prohibition continues on the air reserved for the competition and also during the medal ceremony, it is of course valid for all religious propriety. The same provisions of bans on religious symbols before or after the attack on the tatami competition for any reason whatsoever.

Failure to follow these instructions could result in the outright disqualification of offenders of this measure and to preserve our discipline any confusion both political and religious.

Counting on your sense of preservation of the interests of our discipline and its development in international forums, please accept the Presidents gentlemen, the expression of our profound respect.

The Chief Director of Education & Coaching
African Judo Union
