Circular Note

For the attention of Presidents
National Federation of Judo
Affiliated with the AJU.

Subject: **Judogis and bibs.**

Distinguished Presidents

During the last World Championships Rio 2013, it was given to us to see that some of our athletes Africans were presented at the controls judogi unsorted.

Also, in order to standardize competitive standards (all categories of ages) sports equipment under IJF rules, we have the honor to inform you of the steps taken by the AJU to Indeed bearing this very recurrent failure:

- **The acquisition of numbers or Back Numbers** can be done on request duly filled with NAME and Surname of the athlete and country, with **the French Judo Federation** who will **make payments** on behalf of African countries against reimbursement in soon as possible.
- **It will take all of our athletes and federations comply.**
- **The African Union vouch for its representatives** to partner FFJDA and ensure **that payments are made as soon as possible,** otherwise, **it will result in the suspension or offending countries.**

Pending the strict application of this circular, please believe dear presidents, to express our deep respect.
