The Ranking :

The five best results during each 12 month period will count + one extra (6th) result from the Continental Championships or Masters, **starting from Continentals 2013**. In a case where the athlete starts in both events (Continental Championships and Masters) then the higher point score will count as the 6th result, and the lower point score may count for the five best results in the WRL.

- look back 12 months from today - five best + one results count 100%
- look back 13-24 months, from there - five best + one results count 50%

The points for each individual tournament will expire as follows :

- In the first 12 months after the tournament the points will count 100%
- After 12 months the points will be reduced to 50%
- After 24 months the points will be reduced to 0 and not accounted anymore

The dividing line is the following week (week number) in which the tournament was held.

Example : If tournament is held in week 17 of 2010, the points are reduced to half on the beginning of week 18 in 2011 and expired in the beginning of week 18 in 2012.

Beginning of the week is defined as Monday.

Exception : For the equal treatment of all Continents, the expiry date for all Continental Championships will be always week number 18 regardless of the week number that they are organized

A minimum of one contest must be won in order to get points for a tournament;

Exception : In Grand Prix, Grand Slam, World Championships and Continental Championships points will be given for participation as well (starting 2013, before only WC)

Additional Rules :

In case of equality of total points, the higher ranking will be decided by:

- The highest sum of the current points from all World Championships.
- The highest sum of the current points from all Grand Prix, Grand Slams and Masters
- The highest current points from one single event, then, if needed, the second highest, and so on
- If the competitors are still equal the decision will be taken by the IJF EC in case of Olympic Qualification.

If a player changes nationality during Olympic Qualification period he/she loses all points in the WRL and has to start with 0
